

Maytag Manufacturing Date Listing

(1927-1952)

(Models 92 & 72 only)

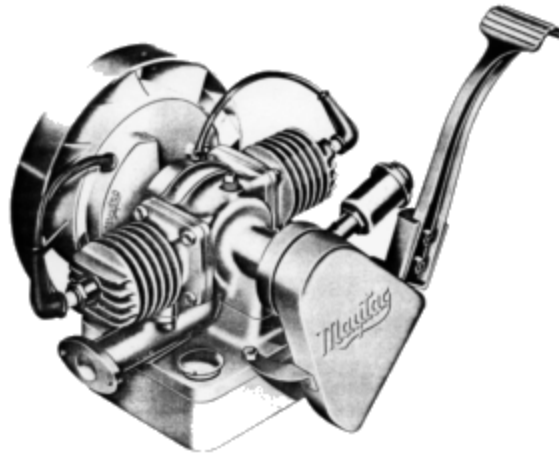

I have come up with all of this Maytag data by cross referencing three separate resources. I cannot confirm this data to be 100% correct, but I believe this to be the most accurate Maytag data available to me at this time. Most of this data here has changed prior to 11/26/2000.

This page contains information for engine Models 92 (Single Cylinder with two main bearings) and 72 (Twin Cylinder). The serial number shown under the Month and Year is the last serial number built in that month.

First Model 92 starts with Serial # 219717 on 9/1/27 (Single Cylinder with two main bearings.)
